

"BEAUTIFUL MOUNT GLENWOOD."

We call your attention to the advertisement of the Mount Glenwood Cemetery Association which appears in another column. You have but a few days left to secure a lot at the present low prices and easy terms. Two dollars cash and two dollars per month. This is an opportunity that will probably never come again to the colored families of Chicago. The prices are so low and the terms so easy, that there is hardly a family in Chicago who cannot afford to secure a lot, as the payments are only fifty cents a week.

It would be wise to secure two lots if you are able to make the payments; one for use and other as an investment: as lots in the Chicago cemeteries have been the safest and most profitable investment in the past and as the city grows in population this investment will be better each year.

It would be well for you to call at the office of the association, 3125 South State street, where they will talk the matter over with you and show you photographic views of the cemetery.
