

MOUNT GLENWOOD CEMETERY.

Mount Glenwood is having the most marvelous success in the sale of its lots, and the interest of the people is daily growing. This cemetery is and will be a perpetual monument to the enterprise and foresight of the colored people and a tribute to their love and goodness.

This cemetery is the one great success. With its woodlands, rolling

mounds and lovely setting it is the most naturally beautiful cemetery in the country. Thousands of dollars of added improvements are contemplated and it is expected to be the best fitted and best arranged place of burial in the state. The railway runs right to the gate and patrons are provided with every facility and comfort in their day of sadness and sorrow.
